

2016 One-Day Only Seed Sale And Educational Event

Due to popular demand, we will be offering our wildlife seed mixes again this year. Given the high demand & limited amount of volunteers, we will only be selling our seed mixes on the day of this event again this year. ALL seed ordered will have to be picked up in Barneveld before 2PM on February 28th. Sorry, but we cannot make exceptions. To guarantee your seed, your order and payment needs to be received before Friday, February 19th.

Once again this year, we will be providing some high quality presentations at the event geared towards growing, holding and harvesting mature bucks on your property. We hope that you and your hunting friends will strongly consider supporting the event this year!

Sunday, February, 28th 2016 (Blizzard Date: Mar 6th)

**New & Larger Location: Deer Valley Lodge
401 West Industrial Drive
Barneveld, WI 53507**

**Doors open at 11:00 AM
Presentations being at 11:30 AM**

Right off HWY 151 ~40 mins from Madison or Platteville. Only 1 hr and 45 mins from Milwaukee

Educational Presentations (30-45 minutes each):

- Food Plotting For Wisconsin Whitetails
- Aging Bucks on Hoof
- How to Start a QDM Cooperative with Your Neighbors
- Panel QDM Q&A

Admission: Only \$10 per person

Admission includes pizza for lunch this year! An open bar will also be available for drinks.

Due to limited space, tickets are limited. Please send a check to hold your seat and your seed today!

For more info and pictures, check out www.uplandsdeer.org or search for Southwestern Wisconsin Quality Deer Management on Facebook.
